RESEARCH EXPERIENCE

Graduate Research Assistant, University of Florida, Gainesville

August 2020 – Present

Advisor: T. Frank Waddell

- Initiated collaborative research with Frank LoMonte, J.D., Dr. Jay Hmielowski, Dr. Myiah Hutchens, Dr. T. Frank Waddell, and Dr. Jieun Shin.
- Produced original research for conference presentation and academic publication.
- Used research-specific software and applications including SPSS, R Studio, Qualtrics, and NVivo.
- Worked with the Institutional Review Board to ensure all research was ethically sound.

Assistant Professor of Journalism, Savannah State University, Savannah

August 2013 – June 2020

- Generated research on journalism pedagogy, online harassment, trust in journalism, and social media protesting.
- Conducted efforts to create more useful assessments of students for the purpose of analyzing learning achievement and creating departmental plans for growth and improvement.
- Assisted in the composition of ACEJMC self-study for reaccreditation using assessment data and research techniques.

Graduate Research Assistant, Ball State University, Muncie

May – December 2009

Advisor: Nancy Carlson

- Produced award-winning research based on survey of women in the television news industry.
- Produced web presence for documentary, “Movers and Stakers”

GRANTS AND FELLOWSHIPS

Michael Hoefges Research Fund Award, AEJMC Law & Policy Division, 2022

\$500 research grant

Presidential Mini-Grant Fund, Savannah State University, 2014

\$2,500 professional development grant

Back to the Newsroom Fellowship, International Center for Journalists, 2014

- Worked at the Wall Street Journal in New York City for 10 weeks to study data processing and visualization skills needed for student improvement.
- Provided feedback to the publication on ways they could improve diversity within the newsroom.
- Created a course in partnership with the Wall Street Journal to better prepare students for business reporting.
